

## Our Story

- Read (as a family, as a community) Psalm 72—a prayer on behalf of the king of the nation. The ruler was responsible to maintain God’s justice. The nations are encouraged to honor the king because he “rescues the needy.” Discuss:
  - ◆ The characteristics of God’s justice.
  - ◆ What poor people, higher income people and governments can do to establish justice today.
- Make an appointment and take your family or group to a local Jewish community charity, food bank, soup kitchen or poverty advocacy organization.
- Check out the Web site of your national movement or [www.hungernomore.org](http://www.hungernomore.org). Look up social statements on hunger, poverty, women and children to see where your movement stands.
- Invite someone from a government agency, hunger or poverty group, especially in the Jewish community, to speak at your synagogue.
- Pray as a family, as a community, together three times, in English or Hebrew:

פֹּתַח אֶת-יָדְךָ וּמִשְׁבִּיעַ לְכָל-חַי רָצוֹן:

Poteyach et Yadecha umasbiya lechol chai ratzon

You open Your hand, and Your favor sustains *all* the living.

## God’s Story

לְשִׁלְמוֹהּ  
אֱלֹהִים מִשְׁפָּטֶיךָ לְמֶלֶךְ מִן וְצַדִּיקְתָּךְ לְבֵן מֶלֶךְ:  
יְדִין עַמְּךָ בְּצִדְקָה וְעַנְיֶיךָ בְּמִשְׁפָּט:  
יִשְׂאוּ הָרִים שְׁלוֹם לָעָם וּגְבָעוֹת בְּצִדְקָה:  
יִשְׁפֹּט עַנְיֵי עָם יוֹשֵׁיעַ לְבְנֵי אֲבִיוֹן וַיִּדְפֵּא עוֹשֵׁק:

*Of Solomon:*

*O God, endow the king with Your judgments,*

*the king’s son with Your righteousness;*

*that He may judge Your people rightly,*

*Your lowly ones, justly.*

*Let the mountains produce well-being for the people,*

*the hills, the reward of justice.*

*Let Him **champion the lowly among the people,***

*deliver the needy folk,*

*and crush those who wrong them.*

– Psalm 72: 1-4

## Personal Stories

### A Voice from Latvia

Poverty is humiliation, the sense of being dependent on them, and of being forced to accept rudeness, insults, and indifference when we seek help. <[www.worldbank.org/poverty/voices](http://www.worldbank.org/poverty/voices)>

### A New York City Homeless Mother Speaks

It's not fair to make us wait so late to take us [into the shelter] and get us up so early. My kids don't want to get up after five or six hours of sleep. If they go to school, they'd be sleeping. My eight year-old asks me, "When are we going to go home Mommy?" <[www.childrensdefense.org](http://www.childrensdefense.org)> citing the Association to Benefit Children

### A Voice from Ghana

Take the death of this small boy this morning, for example. The boy died of measles. We all know he could have been cured at the hospital. But the parents had no money and so the boy died a slow and painful death, not of measles, but of poverty. <[www.worldbank.org/poverty/voices](http://www.worldbank.org/poverty/voices)>

### A Young Man from Zambia speaks

When food was in abundance, relatives used to share it. These days of hunger, however, not even relatives would help you by giving you some food. <[www.worldbank.org/poverty/voices](http://www.worldbank.org/poverty/voices)>

### Ethiopian Voices

We are left tied like straw.  
Our life is empty; we are empty-handed.  
What is life when there is no friend or food.  
We are above the dead and below the living.  
Hunger is a hyena.  
The poor is falling, the rich is growing.  
We simply watch those who eat.  
It is [like] sitting and dying alive.  
We have become empty, like a hive.

<[www.worldbank.org/poverty/voices](http://www.worldbank.org/poverty/voices)>

## Stories of Poverty and Wealth<sup>1</sup> each number represents a human story

- In 2001, nearly 33 million (12 percent) of the 277 million people in the United States lived in poverty (\$14,269 a year for an adult and two children). <[www.census.gov](http://www.census.gov)>
- The majority of people in the United States who live in poverty are White, but the poverty rates of African-Americans (23 percent) and Hispanics (21 percent) are twice as high as the poverty rate for Whites (10 percent) or Asians and Pacific Islanders (10 percent). <[www.census.gov](http://www.census.gov)>
- The share of U.S. national household income going to the top 5 percent of the population reached its highest level on record in 2001, while the shares going to the bottom, the next-to-bottom and the middle fifths of the population fell to all-time lows. <[www.census.gov](http://www.census.gov)>
- Fifteen to 20 percent of San Francisco's Jews live in poverty. Jewish Family and Children's Services <[www.mazon.org](http://www.mazon.org)>
- World poverty fell from 44 percent of the global population in 1980 to 13 percent in 2000, the fastest decline in history. <[www.iie.com](http://www.iie.com)>
- The cost to the public sector of enabling a poor small farmer's family in Africa to make the investments required to attain an adequate level of food security is about \$500. — New Partnership for Africa's Development with the Food and Agricultural Organization of the United Nations, "Comprehensive Africa Agriculture Development Programme, May, 2002, p. 61
- Millennium Development Goal #5: Reduce maternal mortality by three-quarters. In the developing world, the risk of dying in childbirth is one in 48, but virtually all countries now have begun to develop safe motherhood programs.<sup>2</sup>
