

How to Join the CSA Group on Yammer

The URJ recently launched The Tent on Yammer, a Reform Movement social media platform where lay leaders, clergy, and professional staff from congregations and the Movement's institutions can exchange ideas.

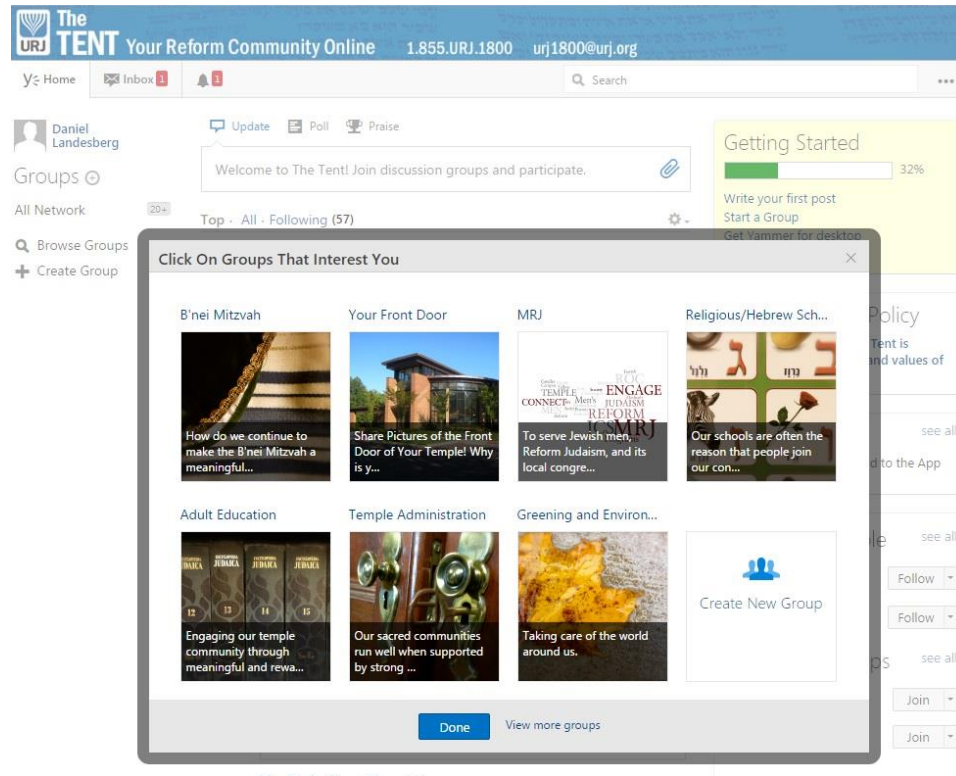

We have created a closed group for Commission on Social Action members. Legislative memos, meeting schedules, and other documents related to our work will be available in our group. Beginning later this fall, the CSA page will no longer exist on the RAC webpage.

1. In order to join the CSA group you must first join The Tent on Yammer. If you haven't already, you can join by visiting www.yammer.com/thetent.

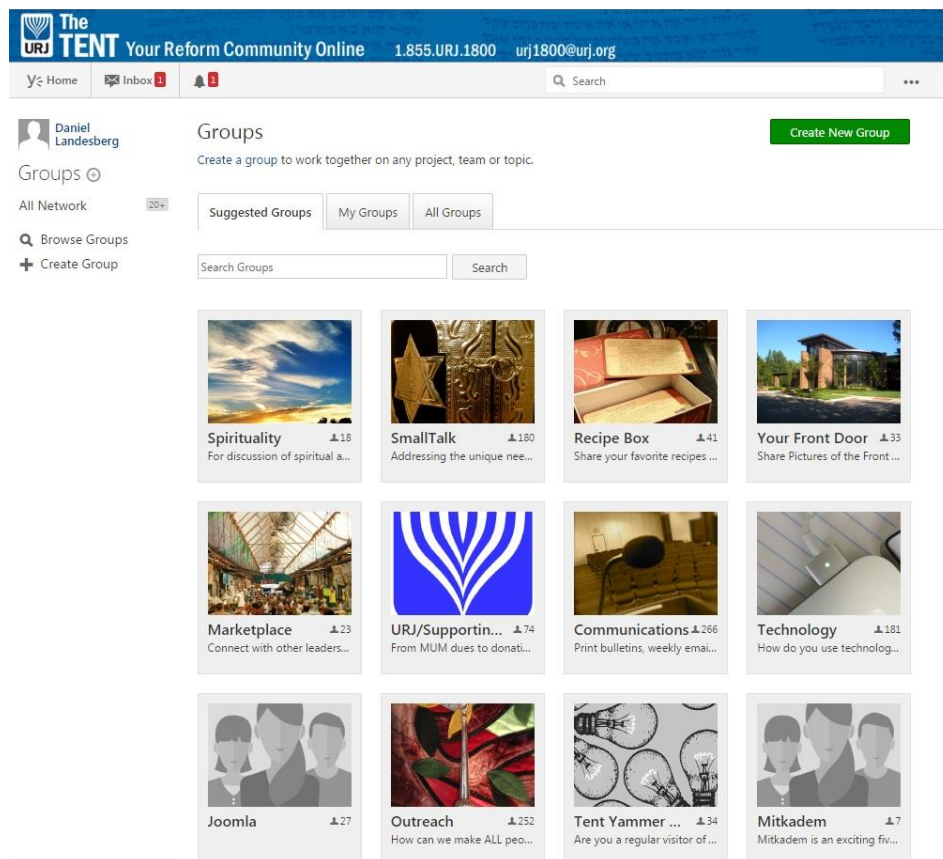

Note: It may take up to 24 hours for your registration to be processed. You'll receive an email as soon as it's completed.

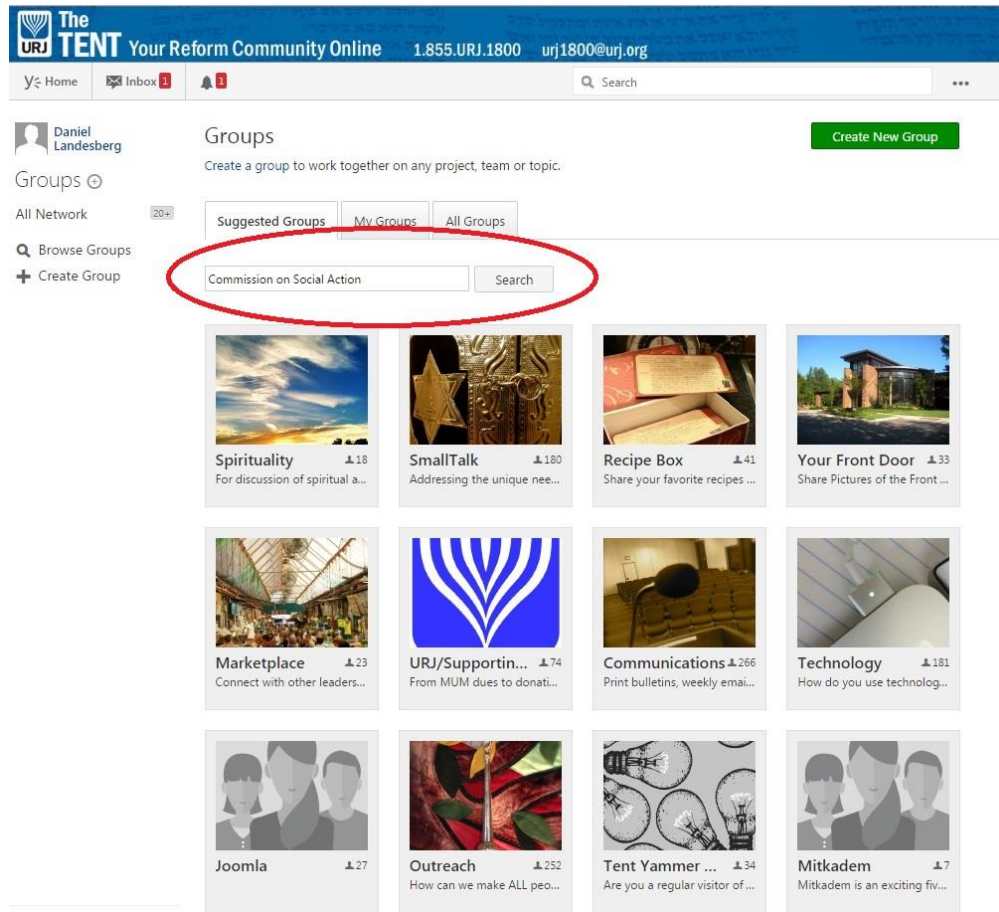

- When you are registered and are able to log in to Yammer, click on “Browse Groups” on the upper left side of your screen.

- At the bottom of the screen that appears, click “View more groups.”

4. In the search field, type “Commission on Social Action.”

5. Place your mouse over group names to view the full title. Click on a group to join it. In this case, the Commission on Social Action group appears on the far left.
