

Immigrant Justice Shabbat - November 3-4, 2017 Day of Action - November 6, 2017

NFTY, Temple Youth Group or Hebrew High programs PLANNING GUIDE

While the timing may be tight to plan an event, if you are already gathering teens, this is a great opportunity to learn together about the Dream Act and how people can take action.

Sample Invite

Hi	

We are taking part in an initiative to bring people together and work towards the passage of a clean Dream Act. The Dream Act will ensure greater protection for 800,000 undocumented immigrant youth (called DREAMers) who are at increased risk for deportation as the Trump administration dismantles the Deferred Action for Childhood Arrivals (DACA) program. We're hoping you can join us at (location) from (time). We'll hang out, discuss the issue and get ready to call our representatives in Congress on Monday, November 6 to ask them to pass the Dream Act. Let us know if you can join us.

Thank you—
