

Immigrant Justice Shabbat - November 3-4, 2017 Day of Action - November 6, 2017

SYNAGOGUE PROGRAM FOR ADULTS AND TEENS PLANNING GUIDE

An event for adults and teens can be free-standing (like on Saturday afternoon) or attached to another activity (like held during religious school or after Friday evening services). They can be held at the synagogue or another location like someone's home. It is a chance for adults and teens to come together for a conversation that educates and inspires action.

Sample Invite

Hi _____

Our congregation is partnering with teens and adults across the Reform Movement to work towards the passage of a clean Dream Act. The Dream Act will ensure greater protection for 800,000 undocumented immigrant youth (called DREAMers) who are at increased risk for deportation as the Trump administration dismantles the Deferred Action for Childhood Arrivals (DACA) program. Join us on at (location) from (time) to discuss the Dream Act, learn more, and plan to call your representatives in Congress on Monday, November 6 to ask them to pass the Dream Act. Teens and Adults welcome!

Thank you—
