

Registering with CampMinder, Instructions for Parents

Dear FAMILY,

Registration is now open for our trip to Washington, DC on the Religious Action Center's L'Taken Social Justice Seminar.

Each student must have a parent/guardian register them for L'Taken in the CampMinder registration system. Before you begin registering your student, make sure you know:

- The congregation or group you are traveling with:
- Date of your congregation's L'Taken:
- Your congressional district:
 - You can look that up here, [Find My District](#), by plugging in your home address.
- You must complete the registration process in one session. It should take approximately 15 minutes to complete. You will not be able to save and restart an online application later.

This registration will ask for participant information about your child, health and safety information, and parent/guardian information. Information that is submitted will be shared with your congregation/group's chaperones and contacts. Payment will not be collected when you register, all payment will be handled by your congregation.

L'Taken registrations are due by **DUE DATE**
